Aviation Medicine

(Formerly Journal of the Aero Medical Society of India)
Published Bimonthly by the Aero Medical Society of India

Editorial

XXVI ANNUAL MEETING OF THE AERO MEDICAL SOCIETY OF INDIA

This issue of AVIATION MEDICINE coincides with an important event in the field of aerospace medicine in our country viz, the entry of India into space age. We share the joy and pride of this glorious achievement with all members of the Aero Medical Society of India.

We have tried to present articles representative of the various aspects of Aviation Medicine in the present issue. Also included are the proceedings of a Symposium on Diabetes Mellitus held during the 26th annual meeting of the Aero Medical Society at Bangalore.

The Editorial Board has been reconstituted with Air Cmde J. Vasudevan as our Chief editor. The outgoing members Air Cmde ML Wadhawan and Sqn Ldr G S Nayar had rendered yeoman service to the Journal and we gratefully acknowledge their contributions.
